General terms and conditions of the tender and contract

1. Tender must be enclosed in a properly sealed envelope and marked tender notice number & item on the envelope, for which tender is given and according to the directions given in tender notice. Only one tender should be kept in one envelope. In case more than one, tender is kept in an envelope, all the tenders thus kept may be ignored.
2. The rate/unit must not under any circumstances be altered and the rates must be entered in words as well as in figures. The rates in figure will be final.
3. The quantities mentioned in the tender are tentative and the actual quantities to be procured may vary upward or downward according to the actual requirements.
4. No responsibility shall be taken for the pre-matured opening of the tender which is not properly addressed or identified.
5. No tenders/rates by way of fax/telephone/Email etc. will be accepted /considered unless GANGMUL specifically asks for rates through such mode of communications.
6. The rate must be written both in words and figures. There should be no over writing and corrections.
7. The approved supplier shall be deemed to have carefully examined the conditions, specifications, size make and drawing etc. for the goods to be supplied.
8. The contractor shall not assign or sub-let his contract or any substantial part thereof to any other agency.
9. The Managing Director or his nominee shall have all reasonable time access to the tenderer premises, and shall have the power at all reasonable time to inspect and examine the material and workmanship of the goods.
10. The tenderer shall, invariably furnish complete address of the premises of his office/ godown and workshop with the name of person to be contacted with mobile and telephone numbers, where inspection can be made together with full name and address of the person who is to be contacted for the purpose with the deal of telephone & mobile no. In case of those dealers who have newly entered into business, letter of introduction from their bankers will be necessary.
11. It is necessary for suppliers to maintain quality of the material supplied as per prescribed standards and specifications
12. In case the supplied goods are not as per the approved quality specifications, make or required size to use for the job, the same will be rejected and rejected articles must be removed/lifted by the tenderer within a week time from the site at their own cost after getting the information of rejection after that Gangmul can impose the penalty as per the discretion of managing director.
13. The tenderer shall be responsible for the proper packed supply to avoid any damage in the normal condition. The supplier, if he so desire, may insure the valuable goods at his own cost against loss by theft, destruction, riots or damage by fire, flood, under exposure to weather etc.
14. No alteration and over writing should be made in the tender form.
